KEY POINTS: NEAR FUTURE IN SPANISH

- Ir + a + infinitive is the formula to build the near future.
- To conjugate to this tense, you must use the present form of 'ir'.
- It is called near future since it refers to actions that will happen very soon in the future.
- Object and reflexive pronouns can be placed before 'ir' or attached to the infinitive verb.
- The Spanish near future is used to talk about:
 - Current plans or intentions.
 - Actions that will occur in the short or immediate future.
 - Potential outcomes resulting from current situations or circumstances.
