DEFINITIONS & EXAMPLES

SACAR

#1 - Talking about extracting or taking something out (To take out / To extract)

El dentista me **sacó** un diente.
The dentist **extracted** my tooth.

Saquen a los perros a pasear
Take the dogs **out** for a walk.

Take Note: The preposition *a* can be used to introduce the [indirect object](#) of the sentence or to convey destination (to where you'll take something out).

#2 - Expressing that someone achieved a goal (To get / To achieve)

¿Cuánto **sacaste** en el examen?
What did you **get** on the test?

Nunca **había sacado** un ocho.
I **had never gotten** an eight before.

#3 - Referring to serving (sports) (To serve)

¿Quién **saca**?
Who **serves**?

Ellos **sacan** muy bien.
They **serve** very well.
