DEFINITIONS & EXAMPLES

SEGUIR

#1 - Talk about following something or someone
(To follow)

Formula

[Seguir conjugated] + [complement]

Chicos, ¿**siguieron** las indicaciones?
Guys, **did** you **follow** the instructions?

No sabía que me **siguieras** en Instagram.
I didn't know that you **followed** me on Instagram.

Take Note: You can [use Spanish direct object pronouns](#) to replace the thing or person you're following.

#2 - Expressing someone still does something
(To continue)

Formula

[Seguir conjugated] + [past or present participle]

¿Todavía **siguen** enojados conmigo?
Are you **still** mad at me?

Por ahora, **seguiré** viviendo aquí.
For the time being, I **will continue** living here.

Take Note: [Spanish past participles](#) are used to build perfect tenses or as adjectives (like the above example). Do not confuse them with present participles. [Present participles in Spanish](#) refer to ongoing or continuous actions.
