## DEFINITION & EXAMPLES

# OÍR

To express hearing something  
(To hear / To listen)

### Formula

(Direct object pronoun) + [oír conjugated] + (determiner) + (noun)

¿Me **estás oyendo**?

Are you **listening** to me?

No te **oí**, ¿a qué hora llegaste?

I didn't **hear** you. What time did you get here?

¿Ya **habían oído** esta canción?

**Had** you already **heard** this song before, guys?

**Take Note:** You can use different elements with the verb *oír*. Use nouns and [Spanish determiners](#) to say that you're hearing something. If you wish to shorten your sentences and omit this information or you're referring to a person, [use Spanish direct object pronouns](#).
