Negative: <i>repit</i> for all subject pronouns.

DEFINITIONS & EXAMPLES

REPETIR

Depending on the context or situation, *repetir* can mean:
To repeat, To imitate/repeat, To do again/say again, To retake,
To have seconds (food), To burp (Mexican Spanish only)

Formula

[Repetir conjugated] + [complement]

Mi hermano **está repitiendo** su tarea.
 My brother **is doing** his homework **again**.

¿Me **repites** lo que acabas de decir?
 Can you **repeat** to me what you just said?

Los bebés **repiten** después de comer.
 The babies **burp** after eating.

¿Por qué la **repitieron**?
 Why did you guys **repeat** it?

Take Note: With this verb, you can use [direct object pronouns](#) to replace what you're repeating. However, if you're repeating something **to** someone, you must use [indirect object pronouns](#) to replace that person.
