KEY POINTS: VERBS LIKE GUSTAR

- **Verbs like gustar** describe feelings, likes, dislikes, or interests that something (subject) causes in someone (object).
- Instead of subject pronouns, these words use **indirect object pronouns** and are conjugated **based on what** provokes a feeling or reaction.
- In Spanish, verbs like 'gustar' use the conjugating endings of the **third person singular and plural**. In other words, they have a **singular** or **plural** conjugation.
- These structures **do not exist** in English. As a result, they do not always have literal, direct translations.
- Verbs like 'gustar' may have a **pronominal form**. However, these pronominal forms may have different meanings.
