KEY POINTS: USING LO IN SPANISH

- Lo is an invariable word that doesn't have gender or number. As a result, it cannot be followed by nouns.
- It means 'him' or 'it' when replacing the direct object of a sentence (the person or thing that receives the action).
- When combined with an adjective or adverb, lo is a neuter article that emphasizes qualities or refers to abstract concepts or ideas. It means 'the'.
- As a relative pronoun, lo que means 'what' or 'which'. It's used to join sentences together and replace a statement or concept that was previously mentioned.
